# 16<sup>TH</sup> INTERNATIONAL GRANITE AND STONE FAIR

Welcome to **STONA 2025** - 16th International Granite and Stone Fair - an exhibition showcasing the unique range of country's colourful, eye-catching natural stones and a platform that helps in demonstrating the capabilities, capacity and the most modern and latest techniques in the craft of stone working.

STONA 2025 is being organised by Federation of Indian Granite and Stone Industry (FIGSI) from 12th to 15th February 2025 at Bangalore International Exhibition Centre located at NH-4, Tumkur Road, Bengaluru, India. The venue is having amenities and facilities of highest of quality of international standard located within 18 kms from the city centre and beautifully landscaped.

The aim of STONA 2025 is to give the natural stone industry in India a significant growth opportunity with higher visibility, a professional oriented visitor profile and extremely efficient business development modules.

STONA enjoys participation by the who's who of the industry, both national and international, as exhibitors and visitors. It provides an excellent and unique opportunity to showcase your products in an increasingly competitive environment and interact with industry people from Italy, China, Turkey, Egypt, Japan, Korea, Portugal & other European countries. There will be participation by entrepreneurs from all major stone industry sectors and machinery manufacturers from all over India and also State Governments will also showcase the varieties of natural stones available in that particular state.
